**EDITORIAL  
—BOOSTERS—**

DID YOU EVER STOP AND THINK, FRIENDS, WHAT A GRAND THING THE AMERICAN FORK SPIRIT IS! How contagious it is and how proud we are of our city! Do you realize if we would back up this Pride by our Loyalty that we could be just twice as proud when we got through! AND THAT IS WHAT WE SHOULD ALL DO.

If Jack, the little scamp, has worn out those shoes you bought him we are going to suggest that you buy your next pair in this city. If you are contemplating building or improving, SECURE YOUR MATERIALS IN THIS CITY AND CONTRACT THIS CITY LABOR. If you are not confining all your purchases to this city, START TODAY. Try this awhile and see how good it feels to look yourself in the glass each morning and be able to say, "Howdy, Old Booster!"

To tell the truth, friends, if you could buy merchandise at 50c on the dollar away from this city you still cannot afford—either as a property owner or as a working person—to REMOVE THAT 50c FROM THE COMMUNITY.

When you do, you are knocking the props from under your own property values, undermining the financial structure that forms our industrial existence and thus remove from the working homes of our community JUST THAT MUCH SUSTENANCE, COMFORT AND HAPPINESS.

WE WANT TO BURN THIS IN DEEP, You cannot measure so-called money saving against the tearing-down prices that involves the community from whence it comes. THEREFORE KEEP YOUR MONEY AT HOME BY SPENDING IT AT HOME.

And to make times good, property values high and employment for all—let normal business transactions prevail without doubts or misgivings. BUY WHAT YOU NEED FREELY. Money put in circulation comes back in wages, crop receipts, investments and in PROSPERITY.

HOARDING DOLLARS IS A GAME WE SHOULD ALL DISCOURAGE. Spending them foolishly is another matter. But purchasing the requirements of living, indulging in reasonable amusements and sane investments SPELLS PROGRESS AND FINAL SUCCESS FOR ALL. "Setting Tight" is a pastime of the Doubter who contributes nothing to the prosperous conditions which can be made to always prevail.

HARD TIMES EXIST MOST IN THE MINDS OF PESSIMISTS. Take yourself from this class. Wear the smile of optimism, show commercial courage and faith AND KEEP BOOSTING FOR THIS CITY. By so doing we will have a Civic Success, Personal Success and a City to be proud of.
